---

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a request for a formal hearing by Carriage Hill Lakes Partnership (the Complainant or CHLP) concerning the procurement of taps for sewerage service in Lakewood Utilities' service area. The informal conference between the Complainant, the Respondent, and the Commission Staff did not resolve the matter.

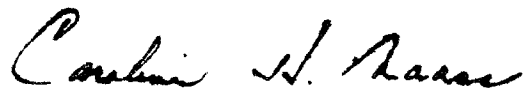

The Commission has considered the request of the Complainant for a hearing in this matter and has determined that a public hearing should be scheduled so that the issues can be fully discussed before the Commission.

Therefore, a public hearing will held to commence Tuesday, June 26, 1990, at 11:00 a.m., in the Commission's Hearing Room, 111 Doctors Circle, Columbia, South Carolina.

All parties should appear before the Commission at that time and be prepared to present testimony concerning their positions in this matter.

IT IS SO ORDERED.
